

Short Courses

Benchmark College offers the following short courses:

HLTAID004 Provide an emergency first aid response in an education and care setting*

This course satisfies the requirements for First Aid, Cardiopulmonary Resuscitation (CPR), Asthma and Anaphylaxis for those working in an education and care service (child care centre). The course covers the skills and knowledge required to provide a first aid response to infants, children and adults.

HLTAID003 Provide first aid*

This course covers a wide range of topics to enable participants to confidently manage emergency situations and apply life-saving skills. The course covers the most common first aid injuries and illnesses that you might be called upon to deal with. This course is appropriate for people who want these skills for workplace or the home.

HLTAID001 Provide cardiopulmonary resuscitation*

This course provides the skills and knowledge required to perform Cardiopulmonary Resuscitation (CPR) in line with the Australian Resuscitation Council (ARC) Guidelines. It is suitable as a CPR refresher course, provided you hold a current first aid qualification.

CHCPRT001 Identify and respond to children and young people at risk#

This course provides the skills and knowledge required to support and protect children and young people who are at risk of harm. The following roles are required to hold the current unit:

- Nominated Supervisors and Certified Supervisors who are placed in day to day charge of an education and care service in NSW (Education and Care Services National Regulations 2016)
- Supervisors minimum requirements (Children [Education and Care Services] Supplementary Provisions 2004).

*The above courses require a level of physical ability to meet the evidence requirements for assessment. These standards relate to the level of performance required to provide resuscitation and respond to an emergency situation where there may be risk to life.

#The skills in this unit are applied in accordance with child protection legislation and state/territory requirements.
